Your mayor or councilmember has recently earned the Advanced Certificate of Municipal Leadership (CML). The original certificate was sent to the elected official. I am contacting you to encourage you to recognize your official and have provided a sample press release.

AWC's Certificate of Municipal Leadership program provides mayors and councilmembers training to effectively operate within the law, plan for the future, secure and manage funds and foster community and staff relationships.

The Advanced Certificate of Municipal Leadership is awarded when an elected official achieves 60 or more credits through a variety of workshop and completes community service.

We encourage you to help recognize your elected official. Please let me know if you have any questions. You can reach me at (360) 753-4137 or at karent@awcnet.org.

Sincerely,

A handwritten signature in blue ink, appearing to read "Karen Tanner", is written over the word "Sincerely,".
