

Proclamation

National Public Works Week

Whereas, the Public Works services provided in our community are an integral part of our citizen's everyday lives; and

Whereas, the support of and understanding and informed citizenry is vital to the efficient operation of public works systems and programs such as water, sewers, streets and highways, public buildings, and solid waste collection; and

Whereas, the health safety and comfort of this community greatly depends on the facilities and services; and

Whereas, the quality and effectiveness of these facilities, as well as their planning, design, and construction, is vitally dependent upon the efforts and skill of public works officials; and

Whereas, the efficiency of the qualified and dedicated personnel who staff public works departments is materially influenced by the people's attitude and understanding of the importance of the work they perform,

Now therefore, I, Grover Laseke, Mayor of the City of Woodland, WA, do hereby proclaim the week of May 19-25, 2013 as

"National Public Works Week"

in the City of Woodland, WA, and I call upon all citizens and civic organizations to acquaint themselves with the issues involved in providing our public works and to recognize the contributions which public works officials make every day to our health, safety, comfort, and quality of life.

Given under my hand and Seal of the City of Woodland, WA this 6th day of May, 2013.

Grover Laseke, Mayor
