Summary Statement:

Background:

City Council has previously approved the \$2,000,000 Transportation Improvement Board (TIB) Grant for the SR 503/Scott Avenue Intersection Project. A new fund is needed to help track the revenues and expenses for this project.

To complete the purchase of right-of-way in 2013 an interfund loan from the general reserves is needed. Once the property purchase is closed the City will request reimbursement from TIB. The City will repay the loan as soon as the reimbursement is completed.

In 2013, 2014 and 2015 the City will transfer funds from Fund 104 into 325 to use for cash flow and the 10% match TIB requires for the project. Additional interfund loans will not be needed.
