

CITY OF WOODLAND
PUBLIC NOTICE

The City of Woodland, 219 Davidson Avenue, PO Box 9, Woodland, WA 98674-0009, is seeking coverage under the Washington State Department of Ecology's Construction Stormwater NPDES and State Waste Discharge General Permit.

The proposed project, Guild Road Improvements, is located at Guild Road between Schurman Way and Robinson Road in Woodland, in Cowlitz County.

This project involves 2.20 acres of soil disturbance for street and utility improvement construction activities. Stormwater will be discharged to the municipal storm sewer system, to be discharged into the Columbia River.

Any persons desiring to present their views to the Washington State Department of Ecology regarding this application, or interested in Ecology's action on this application, may notify Ecology in writing no later than 30 days of the last date of publication of this notice. Ecology reviews public comments and considers whether discharges from this project would cause a measurable change in receiving water quality, and, if so, whether the project is necessary and in the overriding public interest according to Tier II antidegradation requirements under WAC 173-201A-320.

Comments can be submitted to:
