**CITY OF WOODLAND
NOTICE OF PUBLIC HEARING
POTENTIAL CHANGES TO SR 503 AND N. GOERIG INTERSECTION**

Notice is hereby given that a public hearing will be held to provide public comment on potential traffic control changes to the intersection of SR 503 and N. Goerig by the floodwall. The public hearing will take place at 7 PM, Monday, May 2, 2016 in the Woodland City Hall Council Chambers, located at 200 E Scott Avenue, Woodland, Washington.

The purpose of the hearing is to receive comments from interested individuals regarding potential traffic control changes. Interested persons may appear and be heard. Questions should be directed to City Hall, 230 Davidson Avenue, Woodland, WA 98674 or by contacting Bart Stepp, Public Works Director, at (360) 225-7999. Any interested individuals may appear to provide comments or may submit written comments to: the Public Works Department at steppb@ci.woodland.wa.us.

Dated this 31st day of March, 2016.

Bart Stepp
Public Works Director
