Describe Project and Specific Use in Detail:
Add on to our existing fence 34 ft. long x 12 feet wide at 24 ft. long on otherside connecting two gates.

TOTAL FAIR MARKET VALUE OF WORK TO BE DONE UNDER THIS PROJECT \$ 750

NOTICE: Separate permits and approvals may be required for this project. This permit may expire if work does not commence within 180 days of approval or if work is suspended or abandoned for a period of 180 days. Issuance of a permit does not authorize any work in public right-of-way or on utility easements. The granting of a permit or an approval does not presume to give authority to violate or cancel the provision of any other federal, state or local laws regulating construction, the performance of construction, and/or operation of the project.

I hereby certify that I have read and examined this application and know the same to be true and correct, and if any of the information provided is erroneous, the permit or approval may be revoked. It is the responsibility of the applicant to arrange for ANY INSPECTIONS for this project.

TOTAL FAIR MARKET VALUE OF WORK TO BE DONE UNDER THIS PROJECT \$ 25,000.

NOTICE: Separate permits and approvals may be required for this project. This permit may expire if work does not commence within 180 days of approval or if work is suspended or abandoned for a period of 180 days. Issuance of a permit does not authorize any work in public right-of-way or on utility easements. The granting of a permit or an approval does not presume to give authority to violate or cancel the provision of any other federal, state or local laws regulating construction, the performance of construction, and/or operation of the project.
 Utility service requests and associated fees are processed by the City of Woodland Public Works Department. For information on application and rates, contact (360) 225-7999.

I hereby certify that I have read and examined this application and know the same to be true and correct, and if any of the information provided is erroneous, the permit or approval may be revoked. *It is the responsibility of the applicant to arrange for ANY INSPECTIONS for this project.*

This permit may expire if work does not commence within 180 days of approval or if work is suspended or abandoned for a period of 180 days. Issuance of a permit does not authorize any work in public right-of-way or on utility easements. The granting of a permit or an approval does not presume to give authority to violate or cancel the provision of any other federal, state or local laws regulating construction, the performance of construction, and/or operation of the project.

I hereby certify that I have read and examined this application and know the same to be true and correct, and if any of the information provided is erroneous, the permittee shall be responsible for the applicant to arrange for ANY INSPECTIONS for this project.

NOTICE: Separate permits and approvals may be required for this project. This permit may expire if work does not commence within 180 days of approval or if work is suspended or abandoned for a period of 180 days. Issuance of a permit does not authorize any work in public right-of-way or on utility easements. The granting of a permit or an approval does not presume to give authority to violate or cancel the provision of any other federal, state or local laws regulating construction, the performance of construction, and/or operation of the project.

Utility service requests and associated fees are processed by the City of Woodland Public Works Department. For information on application and rates, contact (360) 225-7999.

I hereby certify that I have read and examined this application and know the same to be true and correct, and if any of the information provided is erroneous, the permit or approval is the responsibility of the applicant to arrange for ANY INSPECTIONS for this project.
