346,284.64 (w/h) Per Valuation Table

TOTAL FAIR MARKET VALUE OF WORK TO BE DONE UNDER THIS PROJECT \$ 180000

NOTICE: Separate permits and approvals may be required for this project. This permit may expire if work does not commence within 180 days of approval or if work is suspended or abandoned for a period of 180 days. Issuance of a permit does not authorize any work in public right-of-way or on utility easements. The granting of a permit or an approval does not presume to give authority to violate or cancel the provision of any other federal, state or local laws regulating construction, the performance of construction, and/or operation of the project.

I hereby certify that I have read and examined this application and know the same to be true and correct, and if any of the information provided is erroneous, the permit or approval may be revoked. It is the responsibility of the applicant to arrange for ANY INSPECTIONS for this project.

RECEIVED

JAN 08 2014

To apply, submit 3 sets of plans and a \$150 general plan review deposit to the Building & Planning Department at the City Hall Annex, 230 Davidson, Woodland, WA 98674.

The balance of review, inspection, and issuance fees are due at the time of permit issuance.

NOTE: This application is not in good standing for work to begin. Plan Review and inspection fees are outlined in Resolution 619. In addition to any other penalty allowed by city code, double review fees will be charged where work has commenced prior to the applicant obtaining the required reviews, approvals or permits. The City of Woodland has adopted the Clark County Fire Marshal's fee schedule. A 10% administrative cost will be added to all permits.

NOTICE: Separate permits and approvals may be required for this project. This permit may expire if work does not commence within 180 days of approval or if work is suspended or abandoned for a period of 180 days. Issuance of a permit does not authorize any work in public right-of-way or on utility easements. The granting of a permit or an approval does not presume to give authority to violate or cancel the provision of any other federal, state or local laws regulating construction, the performance of construction, and/or operation of the project. Utility service requests and associated fees are processed by the City of Woodland Public Works Department. For information on application and rates, contact (360) 225-7999.

I hereby certify that I have read and examined this application and know the same to be true and correct, and if any of the information provided is erroneous, the permit or approval may be revoked. It is the responsibility of the applicant to arrange for ANY INSPECTIONS for this project.
