Vision Principles

VI

Woodland is a small, relatively affordable, full-service community enhanced by proximity to regional outdoor and metropolitan resources.

Vision Principles

V2

The city will maintain small-town community identity based around livable neighborhoods and quality schools while accommodating moderate growth.

3

Vision Principles

V3

The city will prioritize future expansion of industrial and commercial economic opportunities to attract family-wage jobs in the community and commercial services for residents.

4

Vision Principles

V4

The city will expand infrastructure to serve planned development and will maintain adequate levels of service to support the current and future community.

5

Vision Principles

V5

The city will cultivate environmental assets like Horseshoe Lake and the Lewis River for both recreational use in the form of parks and trails, and environmental protection.
