I. DESCRIPTION OF PROPOSAL

The city is considering amending the 90-consecutive day occupancy standard for recreational vehicles in RV parks. The council is considering year-round occupancy under some circumstances.

II. ENVIRONMENTAL REVIEW

The City of Woodland has reviewed the proposed code amendment for probable adverse environmental impacts and expects to issue a determination of non-significance (DNS) for this project. The optional DNS process in WAC 197-11-355 is being used. This may be your only opportunity to comment on the environmental impacts of the proposed project. The proposal may include mitigation measures under applicable codes, and the project review process may incorporate or require mitigation measures regardless of whether an Environmental Impact Statement is prepared. A copy of the checklist for the proposal may be obtained upon request.

Agencies, tribes, and the public are encouraged to review and comment on the proposed project and its probable environmental impacts. Comments must be submitted by 5 p.m. on **July 18, 2024**, to:

III. EXISTING ENVIRONMENTAL DOCUMENTS

1. SEPA Checklist

Application materials including the document listed above can be reviewed by contacting the SEPA responsible official (see contact information in Section II above).

IV. PUBLIC HEARING NOTICE

The city will hold a public hearing on this matter at 7:00 p.m. on **Thursday, July 18, 2024**, at the **Woodland City Council Chambers, 200 East Scott Avenue, Woodland, WA**. Please review www.ci.woodland.wa.us for notices and announcements regarding upcoming meetings and hearings.

V. REVIEW AUTHORITY

Per WMC 19.08.030, SEPA decisions shall be reviewed by the staff SEPA Responsible Official. The Development Review Committee will generate a staff report to serve as a recommendation to the Planning Commission who will make a recommendation to City Council who will make the final decision. After the close of the comment period, the city will review any comments on the impacts of the project and decide whether to proceed with issuing a recommendation on the project. This may be your only opportunity to comment on the impacts of the proposed project.
